## Special Olympics Charity Golf Classic

Edwards Electrical & Mechanical is putting it all out on the course.

Edwards was one of many sponsors for the Charity Golf Classic, hosted on July 11, 2024, at the Brickyard Crossing Golf Club.

The Charity Golf Classic is an annual tradition where teams compete for prizes, enjoy time on the green, and ultimately support individuals with intellectual disabilities and the mission of Special Olympics Indiana.

Edwards is honored to support an amazing organization, such as Special Olympics Indiana and their incredible athletes, and takes pride in contributing to events that make a significant impact in our community. For more information, click the link!
